Other Demographic 2:	
Other Demographic 3:	
Other Demographic 4:	

Psychographics:

Why do they do this job or live the life they do	He is genuinely passionate about teaching physics and helping Tier 2/3 students succeed. He takes immense pride when his students crack JEE/NEET and get into top colleges, believing local talent shouldn't have to migrate to expensive cities like Kota.
Hobbies	Watching cricket highlights on YouTube, reading Hindi news apps, mentoring local youth.
Heroes	H.C. Verma, Alakh Pandey (Physics Wallah).

Aspirations in life	Grow his coaching classes from 120 students to over 400 students in the next two years.
Fears in life	Being unable to keep up with the rapid shift to digital testing mandated by the National Testing Agency (NTA).
Personality Traits	Hardworking, highly pragmatic, cautious with money
Interesting habits	Drinks 4–5 cups of tea (chai) daily from the local stall while chatting with other tutors; manually checks student attendance registers.
